4 key benefits you can get from Gemalto’s Coesys Applications Portfolio

**Get results**
- Improve quality of services & increase citizen’s satisfaction
- Streamline processes
- Make visible productivity gains

In Oman, solutions in synergy with the national eID has given birth to numerous services such as e-Purse, e-Health and e-Voting.

Using ePurse for paying fees only takes 8 seconds compared to 3 to 5 minutes by cash transaction.
